which is valued at \$4 million, was damaged. The crop damage ranged from slight to severe, according to the Bradley County agent.

High winds and large hail caused damage estimated at several hundred thousand dollars at Camden. Most of the damage apparently was to the roofs and windows of homes and industries. Authorities said the Saturday night storm knocked out power and telephone lines in some areas of the city. About 200 persons were without telephone service.

Low temperatures reported around the state today ranged from 42 degrees at Fayetteville to 60 at Blytheville and Pine Bluff. Highs Sunday ranged from 67 at Texarkana to 76 at Pine Bluff.

Rainfall reported around the state in the 24-hour period ending at 6 p.m. today ranged from a trace at Blytheville to .60 inches at El Dorado.

## Boycott at Greenwood Is Working

By JOHN PEARCE  
Associated Press Writer  
GREENWOOD, Miss. (AP) —

A tight boycott here has taken almost all Negroes away from the downtown business area and a shopping center. It has forced one group of white merchants to reach its own agreement with the boycott leaders.

In two weeks of "selective buying," the Greenwood Movement has withdrawn almost all Negro business, leaving only essentials such as drugs and banking untouched.

One white merchant, manager of a downtown department store, said "As far as I can tell, it's 100 per cent effective. I don't mind telling you I'm down this month when I should be up because of Easter buying."

The boycott grew out of indignation at the assassination of Dr. Martin Luther King Jr. Picketing began April 11, two days after he was buried, and has continued since.

The heavy Negro population of Leflore County, in the prosperous Delta farming region of northwest Mississippi, makes many Greenwood merchants dependent on Negro trade. Greenwood, a town of 20,000 persons, is 45 per cent Negro and the county is about 65 per cent Negro.

Only one supermarket and Johnson Street, a five-block row of bargain stores, furniture stores and pawn shops, is exempt. Last week Johnson Street merchants approached movement leaders and worked out an agreement.

They would hire Negroes, use courteous titles and try to preserve the city's leadership into meeting with the Negroes in exchange for the boycott's being called off. The Negroes agreed, and the merchants mailed a petition to the City Council, asking it to meet.

Communication between the races—or between the Greenwood Movement and city government—is the ultimate goal of the boycott.

Except for the Johnson Street merchants, Negro leaders say no white merchants have contacted them, although the merchants have been meeting among themselves.

Mayor Charles E. Sampson is adamant in his refusal to meet with the movement's leaders.

"We haven't paid much attention to it," he said. "It's just a group of Catholic priests out there trying to run the whole county."

"We're not going to discuss it with them. They're just agitators sent in here. They've been sent in just for this purpose."

The boycott has been maintained by daily picketing and by reading in public meetings the names of Negroes who cross picket lines. It is the movement's second attempt. The first was last November, and it died after three weeks.

Although membership of the movement is almost entirely black, a key leader is a white Roman Catholic priest, the Rev. Nathaniel R. Machesky, 48, pastor of St. Francis Church. He has been a staff member at the Negro church 18 years.

The other co-chairmen are two Negro ministers.

## Court Tosses Out Libel Judgement

WASHINGTON (AP) — The Supreme Court threw out today a \$5,000 libel judgment a Louisiana deputy sheriff had won and made it more difficult for people in public life to win such awards.

In an 8-1 decision the court said a finding that a prudent man would have investigated defamatory information about an official before publishing it is not grounds for a libel award.

Rather, Justice Byron R. White wrote, there must be evidence to conclude that the publisher or the broadcaster had serious doubts about the truth of the material.

"To insure the ascertainment and publication of the truth about public affairs, it is essential that the first amendment protect some erroneous publications as well as true ones."

The \$5,000 judgment had been won in Louisiana courts by Herman A. Thompson, an East Baton Rouge deputy sheriff, against Phil A. St. Amant, a onetime aspirant for the U.S. Senate.

St. Amant, on television, quoted a local teamster in 1962 as saying money had "passed hands" between Thompson and a union business agent.

At the time St. Amant was contesting Sen. Russell B. Long for the Democratic Senate nomination.

Four years ago the U.S. Supreme Court established the rule that public officials cannot collect libel awards unless the defamatory statement was made with "actual malice."

This means, with knowledge that the statement was false or was made with "reckless disregard" of whether it was false or not.

Today's ruling appears to make proof of "reckless disregard" more difficult to obtain.

## Four Killed in Arkansas Accidents

By THE ASSOCIATED PRESS

Four persons were killed in traffic accidents on the Arkansas highways during the 54-hour weekend period which ended at midnight Sunday.

State Police identified the victims as Coleen S. Hall, 21, of Springdale; Mrs. Ruth Mueeting, 69, of Mountain Home; Winfred O. Stone, 44, of Little Rock, and Harold Steinsick, 17, of Alma.

Authorities said Miss Hall died Sunday at a Springdale hospital of injuries received Saturday in a two-car accident on U.S. 71 near the Benton-Washington County lines. Officers said the victim was a passenger in a vehicle driven by Colette Hall 23, also of Springdale.

The Hall vehicle stopped to turn and was struck from behind by a vehicle driven by Kenneth Wayne Barnes, 29, of Rogers. The impact knocked the Hall vehicle into the path of a car driven by Billy Beeks, 36, of Lincoln.

Mrs. Mueeting was killed Saturday night when the car in which she was riding collided with another car on Arkansas 201 inside the Mountain Home city limits. She was a passenger in a car driven by her husband, Andy Mueeting, 66. Officers said Larry Partee, 17, of Lakeview, apparently lost control of his vehicle and struck the Mueeting vehicle.

Stone was killed Saturday night on Arkansas 27 about one mile west of Murrellsboro. Officers said Stone's vehicle struck a bridge railing and then was struck by a vehicle driven by Ray Ewing, 25, of Hot Springs.

Steinsick was killed Saturday night when his vehicle collided with another car at the intersection of a county road and U.S. 64 about 1/2 mile west of Mulberry.

**Court Rules Against an Atheist**

WASHINGTON (AP) — A Miami atheist was turned back today by the Supreme Court in his effort to prohibit display of a large cross on the Dade County courthouse at Christmas time.

Nathan Paul, 65, claimed the cross is a religious symbol and that under the Constitution it cannot be displayed on a public building by governmental order.

The six-story tall cross, lighted electrically at night, has appeared on the courthouse's south side since 1955. Tax funds were once used, but of late donations have paid for the display.

Florida courts ruled against Paul. Florida Circuit Judge Ralph O. Cullen, ruling in November 1966, said the cross is a Christmas decoration and served the public welfare by expressing the wish of the community as a whole for a "Merry Christmas."

The Supreme Court said nothing about the points raised by Paul. Justice William O. Douglas was the only one of the nine justices to vote to hear the case.

preme Court established the rule that public officials cannot collect libel awards unless the defamatory statement was made with "actual malice."

This means, with knowledge that the statement was false or was made with "reckless disregard" of whether it was false or not.

Today's ruling appears to make proof of "reckless disregard" more difficult to obtain.

## Rotary Hears About Police Work

— B.N. Holt photo with Star Camera  
COL. RALPH SCOTT

"The most serious problem your State Police Department has is in combating rumors," Col. Ralph Scott, director of the department, told the Hope Rotary Club Friday at its luncheon meeting in the Town and Country.

"This has increased with the crisis now existing in the U.S. today, which has resulted in guerrilla warfare among our citizens."

The police director told the club that with the lawless element, both black and white, and the increase of armed citizens, it is the policeman to whom the public looks for protection now, more than ever before. And the Arkansas State Police are ready.

Tactical squads received praise for the work they did in Memphis, and road blocks were effective at Pine Bluff. The policy of the Arkansas State Police is simply to

take whatever action is necessary to defend the public against any lawless element. A harmless but effective chemical mace has been developed into the most recently successful weapon.

Col. Scott, a native of McCaskill, was introduced by Bill Tolleson, program chairman for the day. President Clyde Fouse welcomed the guest speaker and several other members of the State Police, Capt. Milton Mosler, Lt. Guy Downing, Cpl. Bob Cockman of Prescott, Robert Neel and Wallace Martin, as well as FFA Roy Queen Donna Byers, Mrs. Andy Andrews, Marshall Scott of McCaskill, and Al Graves, Jr.

**Rockefeller to Tell His Plans Tues.**

ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller will make "an announcement concerning his political plans" at 11 a.m. Tuesday, Leslie Sote, the governor's press secretary, said today.

Sote's announcement came as reports circulated in the Capitol that Rockefeller would declare his candidacy for the Republican presidential nomination.

Rockefeller has arranged to fly a full complement of newsmen with him when he travels to Cedar Rapids, Iowa, on Thursday—on a trip that had not been previously announced.

In making known Rockefeller's intention of holding a news conference Tuesday, Sote refused to go beyond his brief statement which said:

"Gov. Rockefeller will have an announcement concerning his political plans at 11 a.m. tomorrow in the Red Room."

Rockefeller surprised political leaders nationwide on March 21 when he said that he would not actively seek the nomination this year.

He said then that he would comment on the issues and would be available if a draft developed.

or sleeping bags, or sat talking quietly.

Another 250 students, opposed to the sit-in, either slept or talked nearby in the center of the campus at the sun dial. A number of these helped faculty members patrol Low Memorial Library, being occupied by members of Students for a Democratic Society.

Both factions numbered many women.

Columbia's President Grayson R. Kirk announced late Sunday that the Ivy League school would be closed again today pending "discussions relating to a settlement of the present controversy," adding: "Normal operations" will resume again as soon as possible.

The student protest, which began last Tuesday, led to suspension of night classes for three days last week and to suspension of day classes Friday.

School authorities estimate that 500 to 600 students are occupying the four campus buildings and Kirk's offices in Low Library.

## Youth Charged With Murder of 5 Persons

CHARLESTON, Ill. (AP) — Thomas Charles Fuller, 18, is being held in Coles County jail without bond for a preliminary hearing Tuesday on charges of murdering three brothers and two sisters of a girl he reportedly dated.

The youth was arrested Sunday near Eastern Illinois University some 13 hours after the five children of Mr. and Mrs. William Cox were shot to death outside their home near Mattoon.

The dead children were found Saturday night in and around a barn on the family farm. Deputy Coroner Jess Caudill said each of the victims had been shot in the head with a small caliber pistol and the two girls' heads also had been battered.

Killed in the slaughter were Lewis, 16; Theresa, 9; Mary Catherine, 8; Gary, 7, and Kenneth, 5.

Police said a teen-age daughter, Louise, 16, was home at the time of the slayings but was unharmed. Friends of the family said Louise, whose twin brother, Lewis, was killed, had been dating Fuller.

Authorities declined to discuss possible motives for the slayings and said they had no comment on whether the brown-haired youth made any statements.

Fuller offered no resistance when he was seized by police near the university in Charleston, which is some 10 miles east of Mattoon. Police said he was carrying a .22-caliber revolver.

Police said Cox, a construction worker, and two elder sons were working on a truck several miles away from the two-story white frame farmhouse when the murders took place. His wife and the oldest daughter, Mrs. Christine Cline, 21, of Chicago, took another of the Cox family's 11 children to Mattoon for treatment of a burn.

Besides Mrs. Cline, one other child does not live at home.

When Mrs. Cline returned to the farm to drop off her mother, Fuller asked for and received a ride back to Mattoon, police said.

The bodies were discovered a short time later by other members of the family.

## Hanoi Reply Negative on Peace Site

WASHINGTON (AP) — North Vietnam has responded through diplomatic contacts in Laos to U.S. proposals of 15 possible sites for preliminary peace talks, U.S. officials said today but there is still no agreement on a site.

State Department press officer Robert J. McCloskey said there were sessions in Vientiane, Laos, on Saturday and again on Sunday.

"No agreement on a site has yet been reached," he declared.

The United States in the preceding three weeks had sent at least three messages to Hanoi suggesting a total of 15 possible cities for talks and the State Department had said that there had been no official or formal response from the North Vietnamese government.

Monday, however, in response to questions about the Saturday and Sunday contacts, officials said that there now have been responses.

McCloskey first said that the main effort of the U.S. and North Vietnam has been to settle the site problem, implying there was some subsidiary effort on what the parties might talk about in the next round after the site is selected.

Under questioning, however, McCloskey said that in fact the effort to agree to a site was the only effort and that the issue of an agenda had not been involved.

McCloskey refused to say whether the North Vietnamese responses to the U.S. 15-city proposal were negative.

### STUDENTS PERFORM FOR MUSIC CLUB

Two students from Ouachita Baptist University were guest performers at the Friday Music Club meeting April 26 in the home of Mrs. Talbot Feild, Jr. They were accompanied to Hope by their teacher, Miss Helen Lyon, who introduced them, after Mrs. Clarence Geist had en-

couraged the members to take advantage of the musical books and records at the Hempstead County Library.

Miss Frances Scott of Little Rock, soprano, and Bill Borland of Eudora, pianist, then performed. Miss Scott sang "How Beautiful Are the Feet" from "The Messiah" by Handel and "Il est Doux, Il est Bon" from "Herodiade" by Massenet, accompanied at the piano by Mr. Borland. He played two piano solos, "Reflections on the Water" by Debussy and "Excursion" by Samuel Barber. In conclusion, Miss Scott sang "The Trees on the Mountain" by Carlisle Floyd, a number she performed the following night, April 27 at the Sertoma contest in Little Rock.

Mrs. James McLarty, soprano, accompanied by Mrs. B. C. Hyatt, pianist, sang "My Heart At Thy Sweet Voice" from "Samson and Delilah" by Saint-Saens, and Mrs. Hyatt played the Prologue from "Pagliacci" by Leoncavallo. After Mrs. W. A. Williams had given the history of the Hymn of the Month, "O Come and Mourn With Me Awhile," all joined in singing it.

During the business meeting, the club president, Mrs. Sam W. Strong, welcomed two new members, Mrs. Joe Eason and Mrs. Ralph Emerson. For the nominating committee she appointed Mrs. James McLarty, Mrs. W. A. Williams, and Mrs. Jewel Moore, Jr. She announced the state convention would be in Jonesboro May 3 and 4 and urged as many as possible to attend. The president had a message about music which she gave before the program.

As the members and guests arrived, Mrs. Feild and co-hostesses, Mrs. G. G. Medders and Mrs. H. A. Spraggins, served frosted lime punch, cookies, and nuts.

## Cards Win; Cubs Take Twin Bill

By DICK COUCH  
Associated Press Sports Writer  
The Chicago Cubs' extra-base punch has given Leo Durocher some needed relief... and temporarily transformed the Vulture into a vacuum cleaner.

Phil Regan, the former Vulture of the Los Angeles Dodgers' bullpen, tied up in both ends of Chicago's 8-4, 5-2 doubleheader sweep over Houston Sunday in his first appearances for the Cubs.

Regan, traded from the Dodgers to Chicago last Tuesday, protected sizeable leads in the eighth inning of each game as Durocher's Cubs flattened the Astros with a 22-hit barrage that included four doubles, five triples and a home run.

A week ago Sunday, in his final relief stints for the Dodgers, the 31-year-old right-hander picked up two victories in a twin bill against the New York Mets.

In National League single games, St. Louis' high-flying Cardinals trimmed Pittsburgh 4-2 for their sixth straight victory, San Francisco downed the Dodgers 6-1 behind Gaylord Perry's five-hitter, the Mets nipped Cincinnati 6-5 for unbeaten rookie Jerry Koosman's fourth triumph and Philadelphia snatched Atlanta 4-3.

Detroit edged New York 3-2 after a 2-1 first game loss to the Yankees; Boston blanked Baltimore 3-0 then bowed 6-1 to the Orioles; Washington split with Cleveland, winning the opener 1-0 and losing the nightcap 2-0; the Chicago White Sox topped Minnesota 3-2 and California got past Oakland 4-3 in American League action.

Glenn Beckert, Don Kessinger, Lou Johnson and Adolfo Phillips led the Cubs past Houston for an 8-3 season mark. Chicago has won five of its last six starts.

Beckert drilled two singles and his first 1968 homer in the opener. Kessinger stroked four hits, including a triple, in the twin bill and seized the National League batting lead with a .393 mark.

Johnson went 5-for-8 in the day, with a triple and two doubles, and Phillips was 4-for-7, with two triples and a double.

Regan pitched two hitless innings in relief of first game winner Joe Niekro and held the Astros to one hit — a bases-empty homer by Doug Rader — in protecting Ken Holtzman's first victory over the final 1-2-3 innings of the nightcap.

Dal Maxvill poked a tie-breaking seventh inning single for his first RBI of the season and subsequently scored on a passed ball, leading the Cards past Pittsburgh. Left-hander Steve Carlton stopped the Pirates on five hits and Mike Shannon drove in two St. Louis runs with a single and homer.

Willie McCovey cracked a two-run homer and ran-producing single as the Giants subdued the Dodgers. Perry struck out eight and had a shutout until Willie Davis homered in the seventh. It was the first earned run off San Francisco pitching in 25 innings.

Jerry Grote paced the Mets' attack with three hits and two RBIs. The Reds chased Koosman in the eighth, when Lee May unloaded a two-run homer, but reliefers Danny Frisella, Billy Short and Ron Taylor combined to preserve the rookie southpaw's perfect record.

Pitcher Rick Wise delivered Philadelphia's deciding run with a ninth inning double, but needed relief help from Dick Farrell in the bottom of the ninth after being tagged for a two-run homer by Hank Aaron. Bill White homered for the Phillies, who have won seven of their last nine.

Barber Gets \$20,000 Sikes \$752

DALLAS, Tex. (AP) — Miller Barber, a 37-year-old tour veteran from Texarkana, Ark., finished a closing 64 by Kermit Zarley Sunday and won the \$20,000 first prize in the Byron Nelson Golf Classic.

Barber shot a final round 70 for a 72-hole score of 270. Barber was 12-under-par for the tournament after 63 holes and had a seven-shot lead over Zarley at that point. Zarley shot 29

## Bobcats in Strong 3rd in District

By RALPH ROUNTON  
Star Sports Writer  
In a smashing assault which resulted in nine district records out of ten running events, the Hope Bobcats showed their best ever in the Region 4-AA track championships, finishing a strong third at Magnolia last Saturday night.

Buzz Andrews of Hope had a real night for himself, flashing to new district records in both his hurdles events. He paced off 14.5 in the 120 highs and 19.5 in the 180 lows to also set school records.

John Spraggins set a school record in the 440 with a 51.7, good enough to earn him a spot in the state AA meet this Saturday. Alan Phillips qualified for the state competition in the 880 run in a school record time of 2:02.

With a strong final kick, junior James Rowe won the 4-AAA mile in 4:43.1 time. The HHS 880 relay team also cracked the school mark with a 4th place time of 1:33.4. The mile relay finished a strong third in 3:31.9 time. Donnie Middlebrooks placed fifth in the discus with a toss of 136-0, and Carroll Beck and Jimmy Aford placed fifth and sixth in the shot put, respectively.

In the junior division Gary Wheelington set school records in the 100 yard dash with a 10.45 and in the 220 with a 24.45. Gary placed a close second in both events.

THE WINNERS  
440 relay — 1. Crossett, 43.1 (New 4AA record, breaks old record of 43.4 set by Warren in 1966)

120 high hurdles — 1. Buzz Andrews, Hope, 14.5 (New 4AA record, breaks old record of 14.9 set by Bobby Bush of Fairview in 1965)

100 dash — 1. Aaron Harris, Crossett, 9.7 (New 4AA record, breaks old record of 9.9 set by five others)

180 low hurdles — 1. Buzz Andrews, Hope, 19.5 (New 4AA record, breaks old record of 19.8 set by Bobby Bush of Fairview in 1968)

880 relay — 1. Crossett, 1:29.7 (New 4AA record, breaks old record of 1:30.5 set by Crossett in 1967)

440 dash — 1. Wayne Dodson, Crossett, 49.5 (New 4AA record, breaks old record of 50.1 set by Dodson in 1967)

180 low hurdles — 1. Buzz Andrews, Hope, 19.5 (New 4AA record, breaks old record of 19.8 set by Bobby Bush of Fairview in 1968)

880 relay — 1. Robin McClure, Arkadelphia, 1:58.7 (new 4AA record, breaks old record of 1:59.5 set by Mike Candit of Crossett in 1965)

220 dash — 1. Aaron Harris, Crossett, 21.7 (New 4AA record, breaks old record of 22.1 set by Harris in 4AA preliminaries, 1968)

1 mile relay — 1. Crossett, 3:27.8 (New 4AA record, breaks old record of 3:28.1 set by Warren in 1966)

Shot Put — 1. Mike Griffin, Malvern, 53-8  
Discus — 1. Ronnie Crumpler, Magnolia 150-8 1/2  
Pole vault — 1. Tom McDougal, Crossett, 13-11 1/2  
High Jump — 1. Wilfred Jackson, Smackover, 6-4 1/2 (New 4AA record, breaks old record of 6-1 1/2 set by Jack Sanders of Smackover in 1960)

Broad Jump — 1. Tommy Holliman, Crossett, 22-0  
Team totals — 1. Crossett, 105.2, Magnolia, 38.3, Hope, 37

## White Sox Win Two of Last Three

By HAL BOCK  
Associated Press Sports Writer  
The Chicago White Sox have won two of their last three games and Manager Eddie Stanky still is running in the outfield.

Stanky continued his post-game physical fitness program Sunday after Pete Ward's ninth inning homer gave the Sox a 3-2 decision over the Minnesota Twins.

The routine, which started in the middle of Chicago's season-opening 10 game losing streak, sends Stanky jogging across the outfield swinging a lead bat after each game. Then the little skipper retires to the trainer's room for meditation.

He could have had nothing but good thoughts Sunday after Ward's poke beat Dean Chance. In other American League games, California nipped Oakland 4-3, Washington traded shutouts with Cleveland, winning 1-0 and then losing 2-0, New York split with Detroit, winning 2-1 and losing 3-2, and Boston blanked Baltimore 3-0 before the Orioles won the second game, 6-1.

In the National League, Chicago swept a doubleheader from Houston 8-4 and 5-2, Philadelphia nipped Atlanta 4-3, New York edged Cincinnati 6-5, St. Louis dropped Pittsburgh 4-2 and San Francisco rapped Los Angeles 6-1.

Chance was nursing a 2-1 lead on homers by Harmon Killebrew and Ted Uhlaender going into the ninth but Luis Aparicio opened with a single and after Russ Snyder lined out, Ward connected.

The homer was Ward's fourth of the season and boosted his batting average to .340. "We've been in every game but we've just been failing one hit short," said Ward, who made sure the Sox weren't one hit short this time.

And Stanky simply ran and swung his lead bat. He continued the post-game program even though he was ejected from the game in the sixth inning for protesting a third strike call.

Roger Repoz took over the American League home run lead with his sixth of the year helping the Angels beat the Athletics. Rick Reichardt also homered for California.

Sammy Ellis, with late inning relief help from Minnie Rojas, won the game — his first victory in the American League.

Mickey Mantle doubled home the tying run and then carried in the winner on Roy White's single as the Yankees rallied for two eighth inning runs and a 2-1 victory over the Tigers in the first game.

In the nightcap, New York rallied, taking a 2-1 lead in the eighth but Bill Freehan and Jim Northrup hammered ninth inning homers that won it for the Tigers.

Jim Hardin's six-hitter beat Boston in the second game and earned a split for the Orioles after Jose Santiago pitched a four-hitter for the Red Sox in the opener.

Consecutive doubles by Brooks Robinson and Boog Powell set up a three-run Oriole rally in the fourth inning of the nightcap and Hardin held the Red Sox at bay. Carl Yastrzemski's single drove in Boston's only earned run in the opener.

Phil Ortega and Luis Tiant swapped two-hitters with Ortega scoring the only run in the Senators' first game victory and Tony Horton supplying the runs for the Indians' second game triumph.

Ortega bowled over Cleveland catcher Duke Sims in a home plate collision for the first game's only run. Ken McMullen's single, snapping an 0-for-17 slump, drove it in. Horton doubled and scored on Tommy Harper's seventh inning single, snapping a scoreless duel in the second game. Then Horton homered for an insurance run in the ninth inning.

## BUT THE CHIEF SURGEON'S NOT TOO HAPPY ABOUT IT

## Lakers and Celtics Tied at Two Each

LOS ANGELES (AP) — Boston's Celtics and the Los Angeles Lakers head East again all square in their National Basketball Association playoff series with the condition of Jerry West's injured ankle the big question.

"I don't think it's badly hurt," said the Lakers' superstar of the sprained left ankle he suffered in the final minute of his club's 118-105 victory over Boston which put the set at 2-2.

Dr. Robert Kerlan said more would be known today about the injury. It occurred in a collision with John Havlicek after West had scored 38 points in the Lakers' coachless triumph.

Los Angeles mentor Bill van Breda Kolff was thumbed from the premises by referee Mandy Rudolph after collecting two technical fouls with eight minutes left and the score tied 55-55 in the third period.

The teams play in Boston on Tuesday night and then return to the Forum on Thursday. The crowd of 17,147 on Sunday set a Forum playoff attendance record.

In the ABA final playoffs, New Orleans took a 3-2 lead over Pittsburgh in their best-of-7 series with a 111-108 victory Saturday night. The sixth game will be played Wednesday night in New Orleans.

## Feud Topic at Meeting of NCAA

DENVER (AP) — The running feud with the AAU over track and field meets was the top item as the 18-member council of the National Collegiate Athletic Association opened its three-day meeting today.

The NCAA president, Marcus L. Plant of the University of Michigan, said the association intends to make sure the controversy does not hamper the U.S. Olympic team in preparing for the Summer Games at Mexico City.

Plant said in an interview that a moratorium would be continued until after the games on NCAA enforcement of its rule requiring certification of any noncollegiate meet in which college athletes are entered.

The U.S. Track and Field Federation, an arm of the

## Lewis Captures Tournament

PINEHURST, N.C. (AP) — Twenty-year-old Jack Lewis took a 7 and 6 victory Sunday over insurance executive Bill Hyndman in the 36-hole finals of the North and South Amateur Golf Tournament and became the youngest to win the tourney since Jack Nicklaus did it at 19 nine years ago.

## Nothing Weak About the Canadiens

MONTREAL (AP) — There's just nothing weak about this year's Montreal Canadiens from their coach to the last rookie on the bench.

The Canadiens eliminated the Chicago Black Hawks from the best-of-7 Stanley Cup East Division final playoff Sunday with a 4-3 overtime victory in the fifth game behind the superior coaching of Toe Blake and the two-goal performance of rookie Jacques Lemaire.

Montreal took the series four games to one.

Bobby Rousseau and J. C. Tremblay scored the other Montreal goals. Bob Schmautz, Stan Mikita and Wayne Makl connected for the Hawks.

The Hawks put up an able battle "and we didn't disgrace ourselves," said Chicago Coach Billy Reay but in the end it was the superior depth of the Canadiens that set up Lemaire for the payoff goal early in the sudden-death overtime.

Blake won a first and second-period battle with Reay to keep the Canadiens going.

Reay's strategy was to keep the Scooter Line of Stan Mikita, Doug Mohns and Ken Wharram away from the tenacious checking of Jean Beliveau, Yvan Cournoyer and Gilles Tremblay.

The Chicago coach would wait until the teams were ready on the faceoff and then send out his Scooter Line, making sure Beliveau and his wingers were on the Montreal bench.

Blake, however, would keep the gate to his players' bench open until Reay sent out Mikita, Mohns and Wharram and then he would send out the Beliveau line.

The Canadiens now await the outcome of the West Division finals. St. Louis tied the series at two games apiece Saturday night with a 4-3 overtime victory over Minnesota.

The fifth game will take place in St. Louis tonight with the sixth in Minnesota Wednesday.

NCAA, has rejected proposals made by a sports arbitration board appointed by Vice President Humphrey in an effort to settle the controversy.

## Derby Week in Land of Kentucky

By ED SCHUYLER JR.  
Associated Press Sports Writer  
LOUISVILLE, Ky. (AP) — The horses are here; the people are coming. It's Kentucky Derby Week.

About 17 of the hopefuls now stabled at Churchill Downs will go postward Saturday for the 94th running of America's foremost horse race.

And the people, now just a trickle, will pack the stands and cover the infield as the traditional derby day crowd of 100,000.

Millions of others will keep their eyes and ears, or both, on the proceedings via CBS television and radio. Post time is approximately 4:30 p.m., EDT.

But before the Big Race takes the spotlight entirely, there is still one stepping stone to be gotten out of the way — the Derby Trial Stakes here Tuesday.

The field for the one-mile trial could number about seven including Peter Fuller's Dancer's Image, one of the stars in the Derby sky which has been clouded by generally inconsistent performances among the current 3-year-old crop.

Dancer's Image charged through the stretch to win the Governor's Gold Cup and then did the same thing to win the Wood Memorial, which was one-eighth of a mile shorter than the 1 1/4-mile, \$125,000-added derby.

Other possible starters in the Trial are Te Vega, second in the Arkansas Derby; Son O' Swoon, Big Bend, Keelo and Proper Proof, the winner of the California Derby.

Te Vega, owned by Frank C. Sullivan, was one of two Derby candidates to work out at the Downs Sunday. The other was

October House Farm's Iron Ruler, who won the Flamingo on a disqualification and finished a good second in the Wood Memorial.

Others being put through their final pre-Derby paces are Calumet Farm's Forward Pass, the Florida Derby and Blue Grass Stakes 2-year-old; Cragwood Estate's Alley Fighter, winner of the Santa Anita Derby, and Cain Hoy Stable's Captain's Glig.

The latter won impressively in last Saturday's Stepping Stone Purse, his third victory in as many starts this year. But none has been longer than seven furlongs.

Bold Hour, getting a clever ride from Johnny Rotz, drove through on the far outside and won the \$75,000-added Grey Lag Handicap at Aqueduct, top race on Saturday's program.

## Texarkana's Barber Wins Dallas Meet

By HAROLD V. RATLIFF  
Associated Press Sports Writer  
DALLAS, Tex. (AP) — It is a little disconcerting when you know you are playing as well as ever but the man playing with you is making eagles and birdies, chipping away at your once wide lead.

That was the experience of Miller Barber, a tour veteran, as he moved toward a \$20,000 prize at the end of the line Sunday if he could just outlast Kermit Zarley who was surging grimly down the stretch.

Barber made it although he may never be the same again. The chunky man from Sherman, Tex., won the \$100,000 Byron Nelson Golf Classic with a closing par 70 for 270 — 10 under for the tournament.

He got there by one stroke over the youthful Zarley, who banked an eagle with a 175-yard six iron approach shot on the 10th hole, and got four birdies on the remaining holes for a six-under-par 64 competitive record over the 7,086-yard Preston Trail course.

Barber had a five-stroke lead over Harold Henning of South Africa going into the final round and seven over the slightly noticed Zarley, former University of Houston golfer from Seattle, Wash.

Barber ended with a bogey on 18 but it was after Zarley had missed a 25-foot putt by inches that would have given him a tie.

Henning, the putting star of the tournament, using only 110 in the 72 holes, gained two strokes on Barber in the final round by shooting a 68 and took down third money with 273.

Zarley won \$12,000 with a 271, while Henning received \$7,500. The classic drew 30,000 fans Sunday, which officials claimed was the largest ever to see a tournament in America, had total attendance for four days of 94,000 and total gate receipts of \$205,093.

## East Track Team Seems to Have Edge

By RALPH BERNSTEIN  
Associated Press Sports Writer  
PHILADELPHIA (AP) — Figures supposedly never lie, but they don't always tell the truth, either. With that in mind, make what you will of a Penn-Drake Relays comparison which gives the Eastern track and field carnival an overall 9-7 edge with three ties in 19 events.

Only college and university events are involved in the comparison which shows Penn competitors had better times in five track and four field events; Drake in five track and two field. Two track and one field event provided identical figures. Villanova, which won an unprecedented five relays at Penn, wound up 2-1-2 against Drake counterparts.

Coach Jumbo Jim Elliott's Villanova runners won the distance medley in meet record time of 9:37.9 against a 9:41.9 for Kansas, anchored by the incomparable Jim Ryun. Villanova turned in a 16:27.4 four-mile, superior to a 16:39.7 by Drake, the host's first victory at its own show in seven years.

On the other foot, however, Villanova's 3:19.8 in the sprint medley wasn't as good as Prairie View's 3:19.0 at Drake, and the Wildcats' 3:06.1 mile couldn't match a 3:05.2 by Texas. In the two-mile relay, Villanova and Kansas recorded identical 7:21.8 clockings.

Kansas set a national collegiate record in the 480-yard shuttle hurdles as the Jayhawk quartet won in 56.7 Yale won the same event at Penn in 59.0.

Both Lennon Burgher, the Jamaican at Nebraska, and Aaron Hopkins of Toledo shattered the national collegiate record for the triple jump. Hopkins, however, was a little better at Penn with a mark of 53 feet, 5 1/4 inches to 52-11 for Burgher at Drake. The old mark was 52 feet, 8 1/4 inches.

## Ellis Wins on a Split Decision

By JIM CHURCH  
Associated Press Sports Writer  
OAKLAND (AP) — The underdog has his day in the heavyweight boxing division and most of the world now has somebody to call champion.

Jimmy Ellis, 28-year-old father of six, laid claim to the World Boxing Association title Saturday night when he won a split decision over Jerry Quarry of Bellflower, Calif., in the WBA tournament final.

Ellis, of Louisville, was the underdog going into every one of his tournament fights, including the 15-round whipping of the 22-year-old Quarry.

Who's next for Ellis, who was nearly unheard of before the tournament?

"I want to be a fighting champ," Ellis said.

"I think all the fighters in the tournament and those in the Top Ten deserve a chance."

"I have two words for Joe Frazier," said Ellis' manager Angelo Dundee, "Al Jones, He is my policeman and the Florida champion. And he has the same record as Frazier, 21-0."

Jones is another fighter managed by Dundee. Frazier defeated Buster Mathis and is recognized as the champion by New York, Illinois, Pennsylvania, Maine and Massachusetts.

Ellis said he would like to fight undefeated Cassius Clay, for whom he was a sparring partner and from whom the WBA title was lifted because of Clay's conviction of draft evasion.

## Cox Made a Mark on the Pro Ranks

BOURNEMOUTH, England (AP) — The giant killing feats of British tennis star Mark Cox could make a lot of difference to the lives of both professional and amateur players in the next few months.

Cox, 24, is the amateur who upset two professionals, Pancho Gonzalez and Roy Emerson, in the world's first open tournament—the British Harcourts Championship.

More open contests are on the way. And the pros are working on the assumption that there are more Mark Coxes lurking around the tennis courts of Europe.

American promoter George MacCall, who has six of the top pros under contract, said: "We know perfectly well that

## Names Are the Thing

LOUISVILLE, Ky. — (NEA) — Here we go again with our annual quick memory course. Attention, Mr. and Mrs. America, and all you two-bit bettors who don't know from Phar Lap and Man o' War, not to mention Equipoise and Citation.

Every year, approaching the first Saturday in May, it's necessary to cleanse your thinking of all extraneous detail and absorb the names of the nation's finest three-year-old thoroughbred horses.

All eyes, as they say, turn to Churchill Downs, a musty old pile of wood with a bricked courtyard and an ample supply of mint juleps, for the 94th staging of the Kentucky Derby, the proverbial Run for the Roses.

"It will," Kelso Sturgeon assured us immediately, "be a traditional wide-open race."

Now Kelso Sturgeon's a name you've got to remember, but not because it's entered in the race. Kelso stands 18 1/2 hands high and is appropriately thick through the withers, though he doesn't qualify for the Derby because he gallops on two feet. He's not three years old, either.

Kelso is the public relations director for Churchill Downs, and with his kind co-operation, a list of the prospective horses to watch in this Derby can be memorized.

Retention isn't vital—after all, how many people even remember that Proud Clarion, instead of Successor, won the Derby last year?

The usual crowd of 100,000 ("This will be a real 100,000" promises Kelso) must bone up on one of the largest fields in years because no one horse dominates the Derby picture, enticing all owners who can ante up \$1,500 to put their nags in the starting gate. Eighteen horses are expected to start this year, and 15 of them are rated as fair threats to win. The favorite should go off at no better than 7-2, which isn't a bad pay-off for chalk players.

Five horses form the elite echelon of prospective winners. Get the names fixed in your mind:

Wise Exchange  
Dancer's Image  
Forward Pass  
Captain's Gig  
Iron Ruler

Wise Exchange won the Flamingo at Hialeah and would have been the favorite in the Wood at Aqueduct if an ankle hadn't flared up. Hirsch Jacobs, who has saddled more winners than any trainer in history, still hasn't won his first Derby. Wise Exchange could be his ticket.

Dancer's Image won the Wood with a brilliant stretch effort and has momentum. Don't count out Iron Ruler, which was nipped at the finish line. He's always in contention and will get a heady ride in the Derby from Braulio Baeza.

In a big field, Forward Pass has an advantage because, in horse parlance, he always "lays close to the pace" and won't have 16 or 17 horses to go around. He has never finished worse than fourth. "He's also a sulking blankety-blank," noted Kelso. "You never know for sure when he's going to run. Otherwise, he'd be the favorite."

The class of the Derby, as far as breeding, could be Captain's Gig of Capt. Harry Guggenheim's Cain Hoy stable. "He is impressive," wrote one racing pundit, "except for his physique. He is light in the rear." To put it delicately, his derriere is out of balance. He also hasn't run anything more than a 7 1/2-mile this year, and the Derby is the first mile and a quarter test of three-year-olds' stamina.

Right on the heels, or let's say hind legs, of this group there's another quintet of hopefuls. Focus your eyes on them:

Proper Proof  
Verbatim  
Alley Fighter  
Don B.  
Kentucky Sherry

## Lamar Tech Athletes Die in Crash

BEAUMONT, Tex. (AP) — A fiery plane crash that killed the coach and five members of the Lamar Tech track team has sent the campus of the southeast Texas college into shocked mourning.

Seven persons, including the pilot, were killed when the private plane, returning from the Drake Relays in Des Moines, crashed in a rice field a mile short of the airport here early Sunday.

The plane, which exploded after impact, burned with heat so intense firemen had difficulty approaching it.

Members of the board of regents join school officials on the platform for the memorial services today in McDonald Gymnasium.

Classes were dismissed at the 7,000-student school for the memorial service for Coach Tyrus "Ty" Terrell and the five team members—Randy Clewis of Palestine, Don DeLaune of Lamarque, Mike Favazza of Beaumont, John Richardson of Beaumont and Waverly Thomas of Galveston.

The Lamar Tech mile relay team—DeLaune, Favazza, Thomas and Richardson—broke the Drake record with a 3:07.3, one-tenth second under the old mark, but placed second to Texas as whose team ran it two seconds faster.

The twin-engine plane, piloted by E. W. McCall of Beaumont, left Des Moines at 7:02 p.m. Saturday and crashed at 12:24 a.m. Sunday.

The Federal Aviation Agency said the pilot had made a routine request for landing clearance and "there was not indication it was in any kind of trouble."

## Belgian Wins Billiards Title

DUEREN, Germany (AP) — Ray Ceulemans of Belgium captured his fifth straight world three-cushion billiards championship Sunday by not losing a single match. He had no penalty points and 480 points.

By THE ASSOCIATED PRESS  
OAKLAND—Jimmy Ellis, 19, Louisville, Ky., outpointed Jerry Quarry, 195, Los Angeles, 15. Ellis won World Boxing Association version of heavyweight championship.

## Travelers Come From Behind, Win

LITTLE ROCK (AP)—Quilve Rivera drove in two runs with a pinch-hit double in the bottom of the eighth inning as the Arkansas Travelers came from behind Sunday to defeat the Amarillo Giants 6-4.

Rivera's double scored Len Boyer who had singled and Sonny Ruberto who had beaten out a bunt.

Amarillo scored three times in the fourth inning without knocking the ball out of the infield. The damage was done with two walks, three errors and a fielder's choice.

Arkansas first baseman Mike Christino drove in three runs with two home runs.

The Travs' starting pitcher, Clayton Kirby, got credit for the victory despite being lifted for Rivera in the eighth.

San Antonio's Gary Ross blanked mmmemphis on four hits as the Missions defeated the Blues 4-0 and moved into first place in the Western Division of the Texas League. Rick Pienl scattered seven hits as El Paso defeated Dallas-Fort Worth 6-4 and Dick Armstrong pitched a six-hitter as Albuquerque beat Shreveport 9-2 in other Texas League action.

## Mercury Wins Virginia Meet

MARTINSVILLE, Va. (AP)—Cale Yarbrough of Timmonsville, S.C., averaging 66.686 m.p.h. in a 1968 Mercury, won the Virginia 500 stock car race Sunday at Martinsville Speedway, adding it to his Daytona 500 and Atlanta 500 victories.

Oswald: "Fred Karpin's new book entitled 'Winning Play in Tournament and Duplicate Bridge' is a must for bridge columnists. It includes so many hands that may be used in columns."

Jim: "It is mighty good reading for any player since dropped from even money. It shows example after example of expert play. One of his first hands shows your bid. So I played for the blank play of a slam in the 1931 king and was lucky enough to Vanderbilt. How about some."

Oswald: "I see Fred does not approve of my two diamond overcall. I don't either by modern methods, and it wasn't much of a bid even then, but I liked to bid in those days."

Jim: "You still do, but I agree that you wouldn't open your mouth with that hand today. Was that the way experts bid before I was born?"

Oswald: "No. Just this one expert, and I didn't make that kind of bid very often. Anyway as the subsequent bidding shows, my partner never let me off the hook and eventually I found myself in a diamond slam which depended on my avoiding the loss of a trump trick."

Jim: "Fred points out that you won the spade opening in dummy and immediately led out dummy's king of hearts."

Oswald: "Exactly. The normal correct play with 10 of a suit missing the king is to finesse. This gives a 50 per cent chance for success while the play for a drop only gives a 26 per cent chance. On the other hand East had opened the bidding and it looked as if the diamond king was likely to be misplaced for me. When West produced the ace of hearts, the chance of a successful diamond finesse dropped from even money to zero. East needed the ace of king, plus distribution for his first hand shows your bid. So I played for the blank play of a slam in the 1931 king and was lucky enough to Vanderbilt. How about some."

## WORLD ALMANAC FACTS

In 1869, John Wesley Powell made the first detailed exploration of some 1,500 miles of the Colorado River, much of it through the Grand Canyon, says The World Almanac. The one-armed Civil War veteran made the hazardous three-month trip with nine companions in four small rowboats. Powell contended with rapids, desertion, dissension, boat crashes and near-drowning.

## THE WELL CHILD®

### Migraine Headaches Are Hard to Prevent

By WAYNE G. BRANDSTADT, M.D.

A mother writes that her daughter, 7, has migraine headaches and would like to know how to prevent them. If this child has true migraine attacks she is lucky in one respect—she at least knows what she has. Thousands of persons who are subject to attacks of one-sided headache preceded by a zigzagging blind spot for 30 to 40 minutes and associated with vomiting don't know that these attacks are migraine.

Insofar as the disease is hereditary and often a specific cause cannot be found, the attacks are hard to prevent. Recent studies indicate that the attacks are associated with a drop in the blood level of serotonin and that an injection of this substance will give prompt relief.

Q—Our daughter, 6, has frequent attacks of tonsillitis. The doctor always gives her Chloromycetin. I have heard that this drug has dangerous side effects. What do you think?

A—Most drugs have some undesirable side effects. Your doctor understands the risks and prescribes them only when he thinks the benefits will justify their use. The danger is minimized when the dosage is small and the drug is given for a limited period.

Q—Our six-month-old daughter is very bowlegged. Can anything be done to correct this?

A—Bowlegs due to a vitamin D deficiency is almost never seen any more. A child who has not yet started to walk may appear to be bowlegged. This is exaggerated by wearing thick diapers. Your daughter may outgrow this by the time she starts to walk. If she does not, light braces will help to straighten her legs.

The Great Northern Railway magazine Goat makes this contribution to public education:

### INCORRIGIBLE

The first grade teacher, fresh from college was taking over her first class. Upon entering the classroom she noticed a nasty word scrawled on the blackboard followed by the signature "The Phantom".

So she said, "Now children, let's fold our little hands, put them on our little desks, and put our little heads down on the desks and close our little eyes. Then the person who wrote this word can come up and erase it."

So they all folded their little hands, put them on their little desks and closed their little eyes. All was quiet for a while and then there was a thump of little feet scurrying back to a desk.

After everything was quiet again the teacher said, "Now let's see if the bad word is thoroughly erased." So they looked to see a new, nastier word followed by "The Phantom Strikes Again!"

Hard days have fallen upon the great universities of America, academic pursuit being interrupted by abuses of academic freedom, and their campuses torn up by rebellion and violence. The latest victim is Columbia University, where this editor studied as a junior student in 1921-22 — and it strikes one as outrageous and inexcusable.

Columbia University is on Morningside Heights at 116th and Broadway, New York City. From the east side Morningside Heights looks down the face of a bluff at Harlem, largest Negro city in the world.

It was a scene of quiet study and friendship between races when I last saw it many years ago. Now it is torn up by futile and senseless violence.

Some of the university buildings are held by trespassing demonstrators, many of them not even students. Classes have been canceled and the education of many paralyzed by a handful of hoodlums.

The rebels parley for surrender terms, principally a demand that the vandals be excused from punishment. The faculty refuses to yield, and peaceable students organize a blockade to starve the intruders out of the university buildings where they are holed up.

It's an unequal fight for disgrace, and law and order should be restored to Columbia University promptly and forcefully.

"Academic freedom" that results in hoodlums preventing the great majority from getting an education is just a literary name for anarchy — and the challenge of force should be answered instantly with overwhelming force.

## Hail Ruins Crops Over Arkansas

By THE ASSOCIATED PRESS  
Severe weather that lashed Arkansas over the weekend, inflicting heavy damage to some crops, is expected to end today with the development of a high pressure system moving into the southeast sector of the state.

Hail, rain and high winds that swept the state for three days through Sunday night is expected to give way to fair skies and mild temperatures by Tuesday.

Numerous reports of golf ball-size hail were reported by the U.S. Weather Bureau at Little Rock, which said a tornado reportedly damaged or destroyed five vacant storage buildings and a church at Center Point (Howard County).

Golf ball-size hail was reported at Benton where trees and power lines were knocked down.

Heavy hail and high winds were reported at Wabbaseka (Jefferson County) by the Civil Defense. Electric power was out in portions of Little Rock for more than 90 minutes.

The peach crop at Nashville and the tomato crop in Bradley County were damaged by hail and high winds Saturday night.

The golf ball-size hail that struck the Nashville area twice in slightly more than two hours destroyed almost the entire peach crop in the Nashville Peach District. The crop has a cash value of about \$1.25 million annually.

The Peachmen's Association said several young peach trees in the 2,000-acre district were damaged by the winds and hail. The organization said an attempt would be made to obtain federal aid for growers in the area.

About 60 per cent of the Bradley County tomato crop, which was damaged by hail, is expected to be lost.

**Heavy Damage From Hail at Blevins**

A report from Blevins indicates very heavy hail damage over the weekend. Lester Wade, whose own home was damaged, said all windows were out of the Sweet Home Church and that many houses were badly damaged.

He said the Dock Fulton home was nearly ruined and the roof and all the windows of the Charles Floyd residence were knocked out. Everyone in a five mile path had damage, Mr. Wade indicated.

He said all gardens and crops were completely beat out by hail bigger than golf balls.

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail: Death is the chief price paid by narcotics addicts. The mortality rate among them is 20 times that for nonaddicts the same age. It results from the physiological stress caused by the drugs as well as accidental overdoses and infections stemming from dirty needles.

College football became so brutal in the early years of the century that President Theodore Roosevelt, a rough and ready man himself, was among a group which considered trying to abolish the sport. The invention of the forward pass opened up the game and helped save it.

Ownership of U.S. industry is widening steadily. At least one in every 10 Americans now is a corporation stockholder. Half of those who own shares are members of families in the \$10,000-a-year bracket.

## Congress Not in Mood to Enact New Programs to Help Nation's Poor

By JOE HALL  
Associated Press Writer  
WASHINGTON (AP)—With the possible exception of increased housing subsidies, Congress does not appear to be in a mood to enact any broad new programs to help the nation's poor.

There is no lack of proposals in the three main fields cited by legislators concerned about this group — jobs, income, housing and education.

But, with the 1969 session perhaps half over, sponsors of these proposals see little prospect of breakthrough legislation.

## Humphrey Announces Candidacy

By JACK BELL  
AP Political Writer  
WASHINGTON (AP)—Vice President Hubert H. Humphrey's toughest assignment as an active candidate for the Democratic presidential nomination apparently will be to entice party leaders off the political fence.

Humphrey picked up some fresh endorsements with his formal entry Saturday into the contest against Sens. Robert F. Kennedy, D-N.Y., and Eugene J. McCarthy, D-Minn.

But party leaders in swing states whose support he needs to assemble the 1,312 convention votes required for the nomination didn't budge from the neutral position they have taken since President Johnson announced March 31 he would not accept renomination.

In Michigan, for example, Sen. Philip A. Hart said in an interview he hasn't been able to make up his mind as between Kennedy, McCarthy and Humphrey.

Hart said he thinks sentiment is split in Michigan where the bulk of the 96-vote delegation is chosen in district contests and the remainder at a state convention in June.

He said he thinks about one-fourth of the delegates will represent organized labor. AFL-CIO President George Meany is supporting Humphrey. Walter Reuther, head of the United Auto Workers, has remained silent. Reuther adviser who is for Kennedy and another who is for McCarthy.

In Humphrey's native state of South Dakota, Sen. George McGovern has welcomed the vice president into the race but

**Series of Accidents on Weekend**

A series of weekend auto accidents were investigated by City Police here.

Yesterday on North Washington cars driven by Rudy Schooley and James A. House collided head-on on the blind railway crossing on North Washington. The high grade doesn't allow any vision on the other side.

Officers Long and Arterbury investigated.

Also Sunday an auto driven by Leroy W. Thornton went out of control on North Hazel and did about \$150 damage to a fire plug. Officers Neal and Shirley charged Thornton with reckless driving.

Saturday at Third and Main cars driven by John Marshall of McNab and L. K. Gadberry, North Little Rock, collided with considerable damage resulting. City Officers Rowe, Rowe, and Brown charged Marshall with driving while intoxicated.

Also Saturday vehicles driven by Mayrena Muldrow and H. L. Wright collided. Officers Rowe and Rowe said Mayrena Muldrow was backing up without lights. She was charged with failure to yield the right-of-way.

Vehicles driven by Malcolm E. Sawyer of Tenn. and Clem H. Beavers of Hope collided on South Main with considerable damage resulting. Officers Long and Millam investigated.

Also Saturday on North Hamilton vehicles driven by J. H. Talley of McNab and J. Miller of Hope collided. Officers Shirley and Johnson said the McNab vehicle cut to sharply and hit the Miller car. Talley was charged with leaving the scene of an accident.

They are reluctant to guess how most lawmakers will react to the intensive lobbying for jobs-and-income legislation that will be aimed at Congress during the Poor People's Campaign beginning today.

The campaign is expected to bring thousands of poor persons — mostly Negroes — to Washington for a sustained lobbying effort.

"If a large-scale march and the massing of thousands of people here in Washington is tolerated by the federal government," Sen. John C. Stennis, D-Miss., told the Senate, "there is more than an even chance that it will set up further riots, looting and burning within the capital city."

Members of Congress most likely to be sympathetic to the demands of the poor say the basic obstacle to enacting major new programs at this time is the continuing need to funnel money into the Vietnam war.

The economy mood of the administration and the Congress resulting from this budget stringency has been heightened by the gold crisis and the weakening position of the dollar abroad.

The Senate has gone on record in favor of a \$6 billion slash in President Johnson's budget for the next year.

The result of all this, say the concerned members of Congress, is that their real fight this year must be to prevent sharp cuts in the budget requests for programs already on the books.

In the housing field, the administration has presented a new program offering the most generous subsidies ever proposed to help low-income families buy homes.

This program was approved by the Senate Banking Committee last Thursday as part of an omnibus housing bill. Its backers are confident the full Senate will pass it next month.

But its prospects are quite uncertain in the House. And, even if the program becomes law, its sponsors concede that outlays for it will be minimal for at least the first year.

In the jobs-income field, Sen. Joseph S. Clark, D-Pa., has conducted some hearings on his bill to provide work for 2.4 million hard-core unemployed in the next four years.

## March on Washington Kicked Off

By AUSTIN SCOTT  
Associated Press Writer  
WASHINGTON (AP)—The Poor People's Campaign got off to a late start today as organizers outlined a series of strong demands for the Department of Agriculture.

The Rev. Ralph Abernathy and his "Committee of 100" advanced scouts for the campaign were more than an hour and a half late for their first activity, a 9 a.m. meeting with Agriculture Secretary Orville L. Freeman.

Their four-page list of agricultural demands included abolishment of subsidies to large farmers for not growing crops, support of farm workers' rights to collective bargaining, and revision of the food stamp program so that persons too poor to buy stamps can get them free.

"The existence of hunger and malnutrition in this country is an incontestable fact," said a committee statement.

"That hunger exists is a national disgrace. That so little has been done in the past year by the Department of Agriculture to alleviate the known conditions is shocking."

The statement said that of 800 counties identified the department as among the nation's poorest, about 300 have no food stamp program.

It called such conditions "inexcusable," and criticized the department for returning \$220 million of unspent appropriations to the Treasury Department.

The Poor People's Campaign could become the nation's largest and longest camp-in. It would have to get a lot larger than originally planned to beat the estimated 15,000 veterans who camped on Capitol Hill in 1932, demanding their veterans' bonuses be paid 13 years ahead of schedule.

But campaign organizers, here for three days of preliminary negotiating with government leaders, said Sunday they think it might be bigger.

Support among the poor has proven so strong, they said, that they've turned from their original goal of 3,000 tent dwellers to talk of "hundreds of thousands" of demonstrators camped all over Washington.

The Rev. Ralph Abernathy, who took over as president of the sponsoring Southern Christian Leadership Conference after Dr. Martin Luther King Jr. was assassinated April 4, has scheduled talks today through Wednesday with federal department heads, including Secretary of State Dean Rusk.

The thought of hundreds of thousands of people, mostly

## LBJ's New Policy Is to Cut Involvement and End the Fighting

By JOHN M. HIGHTOWER  
AP Special Correspondent  
WASHINGTON (AP)—In the month since President Johnson reversed course on Vietnam, his war and peace moves suggest a basic decision to cut U.S. involvement in the conflict as fully and quickly as possible.

He appears to be working along two lines. One is directed toward finding a way out of Vietnam through a peace settlement negotiated essentially with North Vietnam.

A month of effort, beginning with Johnson's March 31 bombing limitation and call for talks, has shown that even selection of a place to meet can be a long and tedious process.

This is at least a preview of slow, frustrating negotiations to come, and it may even indicate that neither Johnson nor any successor will be able to find a negotiated way out of the war.

The alternative route Johnson appears to be developing toward progressive disengagement is to

## Columbia Closed by Students

NEW YORK (AP)—An impatient faction of the Columbia University student body threw up a blockade today to squeeze off a protest by fellow students that has disrupted the Ivy League school for a week.

Columbia called off classes again as efforts continued to end the student sit-in at five buildings.

But some students eager for the school to return to normal formed what they called the Majority Coalition to end the protest and threw up a blockade around Low Memorial Library Sunday night.

They tightened it this morning, saying they were cutting off all food and medical supplies for about 100 protesters inside. About 200 students manned the blockade.

As the sky lightened over Columbia on the seventh morning of the protest, the campus was in a state of disarray. Red flags flew from the roofs of two of the five occupied buildings. Several spots on campus had turned into a bivouac area.

A group of students awakened from spending a night in the open on the campus and began to brew coffee opposite the sundial near the library. Others did calisthenics in groups.

Hundreds of students, some for and some against the sit-in, stayed on campus throughout the night.

About 400 sit-in supporters either slept wrapped in blankets

## Offensive Shrouded in Secrecy

By ROBERT TUCKMAN  
Associated Press Writer  
SAIGON (AP)—A big U.S. force that plunged by helicopter into what its commander called "real paydirt" has found at least one enemy camp and supplies in the A Shau Valley, but the enemy troops scattered before the invaders.

The 10-day-old offensive, not announced until Sunday night, continues under a security blackout. Correspondents with the troops were permitted to report only actions in the first three days of the assault.

The helicopters swarmed in April 19 carrying thousands of U.S. 1st Air Cavalry Division troops and equipment into what has been a North Vietnamese stronghold for two years. Enemy guns brought down or damaged 30 of the choppers.

"Hell, I've never lost that many in weeks and weeks," said Maj. Gen. John J. Tolson, commander of the Flying Horsemen. "By far it's the hottest place we've ever gone into. . . . The old opponent gave me a big bad day."

The U.S. Command said the operation, called Delaware, was a "reconnaissance in force," indicating that the American force would smash the staging areas and supply lines and then pull out. South Vietnamese paratroopers formed a blocking force at the valley's exit toward Hue.

Despite the heavy aircraft fire, casualties on both sides were reported relatively light in the first three days, with fewer than 50 North Vietnamese and 20 Americans killed. Sixteen U. S. helicopter crewmen were wounded.

## Day Camp Planned for Children

On Thursday, May 2 at 7:30 p.m. a program will be given at the Hempstead County Health Unit as the Hempstead County Association for Retarded Children makes plans for Day Camp for children in this area. The camp is being planned for a week in mid-June.

The program of information will have two out-of-town guest speakers, Kitty Dozler, Research Assistant to Mental Retardation Implementation Projects and Chairman of the Recreational Activities Committee for the Pulaski County Committee for Retarded Children, who will bring a slide presentation of the first Pulaski County Day Camp; and Mrs. Ann Wood, Nursing Consultant for the Child Development Center for the Arkansas State Health Department, who will give "Health Programs and Day Camping."

The program was arranged by Mrs. Inez Turner, Hempstead County Health Nurse, who has so invited the organization to meet in the Health Unit, next to the Armory, and all interested persons are invited.

Parents of children who may be interested in attending the day camp are especially urged to attend the meeting May 2 to learn how their child may take part and profit from the experience of day camp.

Freeman to Speak at Blytheville

BLYTHEVILLE, Ark. (AP)—Secretary of Agriculture Orville L. Freeman will be in Blytheville Tuesday for a \$25-a-plate Democratic fund-raising dinner and a discussion of the cotton industry with agricultural leaders in Mississippi County.

W. J. "Bill" Wunderlich of Blytheville, chairman of the Mississippi County Democratic committee, said money raised at the dinner would be used for Democratic candidates who have opposition in the November general election.

## Antimissile Step Includes Soviet Shield

By BOB HORTON  
AP Military Writer

WASHINGTON (AP) — The Pentagon's chief scientist has provided the first official acknowledgment that the \$5 billion U.S. defense plan against any Red Chinese missiles also is a first step toward an anti-Soviet shield.

Dr. John S. Foster, director of Defense Research and Engineering, told the Senate Armed Services Committee the proposed antiballistic missile (ABM) system, called Sentinel, could be the foundation for an expanded defense against the Soviets.

Foster made clear, however, that current U.S. plans and capabilities are only to try to handle the rather rudimentary missiles Red China is expected to have in the early 1970s.

Former Secretary of Defense Robert S. McNamara told the same group the Sentinel system was technically capable of intercepting Soviet missiles but only in small numbers.

As he had repeatedly since last fall's announcement on the ABM decision, McNamara emphasized the anti-Chinese character of the system.

Testimony by both men came in early February but was pub-

licly released only recently.

The issue came up when Sen. Stuart Symington, D-Mo., asked Foster to explain why the administration seemed to be ignoring the Soviet missile threat while tackling a lesser Chinese threat.

Foster replied: "I believe that the action the United States is now taking is all the action the United States can take, whether in an attempt to stop an all-out Soviet attack, or whether to provide damage denial against a Chinese ICBM."

Symington: "But if I may say so, the Department of Defense specifically stated it was to protect us from China."

Foster: "That is correct, sir."

Symington: "... Are you saying that actually it is the first step that we could take in protection against the Soviets?"

Foster: "The statement that was made by Mr. McNamara, and concurred in by Gen. (Earle G.) Wheeler was that this deployment is consistent with the first phase of a deployment against the Soviet Union."

Foster said he didn't recommend "thickening" the antimissile defense because the U.S. does not now possess the means of intercepting huge numbers of ICBMs nor an adequate ability to sort electronically among clouds of chaff and dummy warheads which might surround Soviet missiles.

## Israeli Is Defying the U.N. Council

By MARCUS ELIASON  
Associated Press Writer

JERUSALEM (AP) — The Israeli government, defying the U.N. Security Council, says it will hold its Independence Day parade as planned Thursday in both the Arab and Israeli sections of Jerusalem.

About 10,000 Israelis turned out before dawn Sunday to watch military units stage a dress rehearsal along the festively decorated route. Arab residents watched from windows overlooking the streets. On display were both Israeli tanks and Soviet armor and missiles captured in the war last June.

The 15 Security Council members, including the United States, unanimously called on Israel Saturday night to cancel the parade, calling it a threat to peace efforts.

Israel's Ambassador to the United Nations, Yosef Tekoah replied that Israel could not accept the resolution "because it concerns a question which under the cease-fire regime falls under Israel's jurisdiction."

Israeli papers accused U.N. Secretary-General U Thant of playing into the hands of the Arabs, "who wish to sabotage the mission of Middle East peace envoy Gunnar Jarring," one paper said.

Meanwhile, an Israeli army spokesman in Tel Aviv reported a desert clash seven miles north of Jericho and said 13 Arab saboteurs were killed and three Israeli soldiers were "hit." He did not say whether the Israelis died.

It was the largest number of saboteurs killed in a single clash since the June war. Another Arab was wounded and captured and two escaped, the spokesman said.

The army also announced a one-hour artillery duel with Jordanian forces in the same region Sunday evening.

## Bermuda Is Quiet After Weekend Riots

HAMILTON, Bermuda (AP) — A rigidly enforced curfew and 500 police and troops kept Bermuda quiet Sunday after three days of violence. Informal sources said the nightly curfew may stay on until after the resort island's general election May 23.

The 7 p.m.-to-dawn curfew also kept thousands of American tourists confined to their hotels, but most of them normally dine there anyway and spend the evening playing bingo or dancing in the hotel ballrooms.

A detachment of 180 members of Britain's Royal Inniskilling Fusiliers arrived by plane Sunday night to help local forces quell any further outbreak of what the governor, Lord Dartmouth, called the "hoodlumism" that swept this normally tranquil island.

Also helping keep order on the island where most of the whites and Negroes subsist on the tourist trade is the British frigate Leopard.

After rioting Thursday and Friday nights, there were four explosions and half a dozen minor blasts Saturday night but Sunday was without incident. Barbed wire barricades cut the coral roads, manned by police, firemen and troops of the Bermuda Regiment, both Negro and white.

The main violence occurred Thursday and Friday when 12 persons were injured and \$250,000 worth of damage was done.

Officials here insist that the disturbances were neither racially nor politically motivated, although most of them were caused by marauding bands of Negro youths.

Alan Butterfield, a candidate for the legislature of the predominantly Negro Popular Labor party—the PLP—charged that the troubles were caused "by the limey cops' irresponsible actions" in putting down the first riot.

The PLP demands independence from Britain and wants to keep out Britons whom it claims take the better jobs here.

## Legislative Shakeup to Be Smaller

By ED SHEARER  
Associated Press Writer

LITTLE ROCK (AP) — Another general shakeup in the Arkansas General Assembly is expected in this year's election but it is doubtful that it will equal the changes of two years ago spawned by a reapportionment.

The 66th General Assembly, which convenes in its second special session next month, when to work last year with 43 freshmen in the House and 10 in the Senate—a turnover of almost 40 per cent.

A number of new faces will definitely take office next January since at least one Senate and 15 House members will not seek re-election.

At closing time last Friday, Secretary of State Kelly Bryant's list of filings for the legislature did not include two incumbent Senators — Guy H. "Mutt" Jones of Conway and J. Lee Barden of Leachville—and 36 incumbent representatives.

Twelve persons had filed for eight of the nine Senate seats to be contested this year and 121 persons had filed for the House.

The filing tempo was expected to pick up today as the Wednesday noon deadline neared.

A number of Republican filings should occur during the final 2 1/2 days since GOP Gov. Winthrop Rockefeller has predicted his party will gain between 20 and 30 seats in the legislature.

Only 13 Republicans had filed for the House and two for the Senate through last Friday. Five Negroes, including two Democrats, will seek their party nominations.

Two House dropouts have already filed for higher office.

Rep. Marion Crank of Foreman, chairman of the Legisla-

tive Council and a member of the lower chamber for nine terms, filed for governor while Rep. Bill Wells of Hermitage, now serving his fourth term, filed for lieutenant governor.

Rep. Van B. Taylor of Waldron had filed for chancery judge in the 14th Judicial District.

Other House members not expected to run, including several who have announced such a decision, include Republican James L. Sheets of Siloam Springs, Virgil J. Butler of Batesville, Mrs. L. H. Autry of Blytheville, Charles Matthews of North Little Rock, Sherman Blake Williams of Little Rock, Pete Haydon of Little Rock, Albert M. Hayes of Stuttgart, R. E. "Gene" Flanagan of Forrest City, C. B. Nance of West Memphis, John H. Harberson of Nashville, Charles O. Smithers of Benton and Paul Bates of Pine Bluff.

With the Legislative Council convening this afternoon, many lawmakers who had not filed were expected to through Wednesday.

The list of those who had not filed as of Friday includes Joe Hamilton of Harrison, Charles Stewart of Fayetteville, Garner L. Taylor of Clarksville, Harry "Pop" Hillburn of Walnut Ridge, Jerry Bookout of Jonesboro, Jimmy Doyle Hunt of Jonesboro, Mike Womack of Mulberry, Cecil Alexander of Heber Springs, John A. "Buddy" Sink of Newport, Paul Meers of Little Rock, Sterling R. Cockrell Jr. of Little Rock, Herbert C. Rule III of Little Rock, Jim Shaver Jr. of Wynne, O. P. Hammons of Forrest City, Joe H. Holland of Tyrone, Marcus J. Howell of Helena, Talbot Field Jr. of Hope, Glen E. Kelley of Arkadelphia, Edwin E. "Bud" Hopson of McGehee, Jimmie McKissack of Star City and Dan Cook of Camden.

DICK WILLIS

A recent issue of the Arkansas Agriculturist magazine of the University of Arkansas features a picture of Dick Willis, Hope, son of Mr. and Mrs. Elston Willis and grandson of Mr. and Mrs. Jessie Burke of DeAnn.

Dick graduated from Hope High in 1965 where he played football four years, was team captain his senior year and was in the top 16 of his class.

He is vice president of the ASA, is a junior science major, a member of Alpha Gamma Rho fraternity, A.I. Club and served on the Key's committee.

Bryant Man to Run for Governor

LITTLE ROCK (AP) — Ted Boswell of Bryant, a reform-minded lawyer, announced today he planned to run for the Democratic nomination for governor.

Boswell, 35, called a news conference to disclose his plans. He had said Saturday that either he or another person committed to reform would run for governor.

Boswell, a former law partner of Atty. Gen. Joe Purcell, has made speeches across the state in support of a constitutional convention.

He also is an advocate of

## Seeks Seat Held by Fulbright

LITTLE ROCK (AP) — Foster Johnson of Little Rock, who ran unsuccessfully against Sen. John L. McClellan, D-Ark., in 1966, filed today for the seat held by Sen. J. William Fulbright.

Johnson, 53, is the second Democrat to file against Fulbright. The other candidate is Bobby K. Hayes of Calico Rock. Fulbright already has filed.

Republican Charles Bernard of Earle also is a candidate. Johnson paid his \$2,500 filing fee and signed his party loyalty oath at the office of J. P. "Sonny" Lybrand, executive secretary of the state Democratic party.

Johnson listed his occupation as music publisher. He was in the appliance business for 22 years, but sold the business seven years ago and has been semiretired since.

His race against McClellan was his first venture into politics. He lost by a vote of 276,078 to 96,738.

He is a native of Alleene (Little River County), but has lived in Little Rock since he was 13 years old.

He has said he feels he has a chance to defeat Fulbright because he is better known now than he was in 1966.

## Republican Files for U.S. Senate

LITTLE ROCK (AP)—Charles Taylor Bernard, 40, of Earle, state treasurer of the Republican Party, announced his candidacy Saturday for the U.S. Senate.

The businessman-farmer indicated that he thought the issues in the campaign would be Vietnam, riots and crime, inflation, taxes, the gold drain, a threat of communism "from without and from within," the infiltration of South America by Cuban revolutionaries and the "horrible state of disorganization" of the North Atlantic Treaty Organization (NATO).

He offered few specifics, but said he would meet the issues "head-on" as his campaign developed.

Bernard, who owns a chain of dry-cleaning establishments throughout the south, plus a cotton gin and a grain elevator, paid his \$2,500 filing fee to Republican Party Chairman Odell Pollard.

He said the money came from "interested Republicans" and his own pocket, but he declined to say how much was his.

The Navy veteran of World War II said he would not favor a resumption of bombing in North Vietnam as long as peace talks were pending, but that "at this time" he would not favor a negotiated settlement that gave the Viet Cong a role in governing South Vietnam.

He refused to elaborate on his views on grounds that it might affect the move toward negotiations, but he said he disagreed with both Sen. J. William Fulbright, who advocates withdrawal, and with President Johnson, who has followed a policy of what Bernard called "military gradualism."

Bernard said a strong belief in the rights of private property would have prevented him from voting for the recent civil rights bill enacted by Congress, but that he favored equal employment opportunities, equal voting rights and equal education.

He said he would advocate "firm law enforcement" policies to stop riots and looting, but that he also felt there would need to be "more economic progress" for Negroes. He does not

## French Doctor Performs a Transplant

By STEPHENS BROENING

Associated Press Writer  
PARIS (AP)—The first French heart transplant operation was performed this week-end but doctors today expressed concern for the patient's recovery.

Speaking with newsmen 30 hours after the operation, the doctors reported the patient suffered a circulation failure during surgery and since then nerve complications have set in.

The patient is Clovis Roblain, 66, a truck driver from central France, who had suffered for years with a heart ailment.

believe looters should be shot on sight, he said.

"I realize I am an underdog," Bernard said, "but I like the challenge of this role, and I expect to win."

## Many Now Favoring Tax Hikes

WASHINGTON (AP)—Senate Democratic Leader Mike Mansfield says letters from his Montana constituents show they're switching from opposition to support of an income tax boost.

A majority of these letters, Mansfield said, now favor President Johnson's proposed 10 per cent income tax surcharge—a long with a healthy cut in federal spending.

Mansfield, who has long supported the tax proposal—bottled up for many months in Congress—said public works projects appear prime targets for any budget slashing. Space projects and military research also could be cut back, he said.

Senate and House conferees meanwhile were reported pushing slowly toward possible agreement on a bill that would boost income taxes \$10 billion while reducing authority for long-range government spending by some \$20 billion.

At issue is a Senate-passed measure to impose the 10 per cent surcharge and cut spending \$6 billion.

The conferees reportedly are considering eliminating the surcharge plan in favor of revising tax rates upward. But sources indicated that if this were done the increased tax bite for individuals and corporations would remain about the same as

## NLR Man in Race for Treasurer

LITTLE ROCK (AP)—Gloyde W. "Whitey" Tyler, 37, of North Little Rock, an independent insurance agent, paid his \$500 filing fee Saturday as a Republican candidate for state treasurer.

A 6-foot-6, 235-pound former football star who turned down professional offers from the Los Angeles Rams and the Baltimore Colts, he said he would file his party loyalty and corrupt practices pledges with Secretary of State Kelly Bryant today.

State Auditor Jimmie "Red" Jones, a Democrat, filed last week for a seventh term.

"I studied the various possibilities of public service with a view toward the office where I felt I could best serve the people of Arkansas," he said in a prepared statement. "I decided that my general business and management background best suited me for the job of auditor."

## Opponents for 2 State Officials

LITTLE ROCK (AP)—Republicans filed today as candidates for land commissioner and state treasurer.

Ed Allison, 33, of Blytheville filed as a candidate for land commissioner, a position held by Sam Jones, a Democrat.

Mrs. Leona Troxell of Rose Bud, a former president of the Arkansas Federation of Republican Women, filed for state treasurer, a position held by Democrat Nancy Hall.

Allison and Mrs. Troxell paid their \$500 filing fees at Republican headquarters.

Allison, owner of a van and storage business, is state Young Republican chairman. He made an unsuccessful attempt for the Arkansas House in a special election earlier this year in Mississippi County.

Allison said he would make positive efforts to update the land department, to make it more efficient and reduce its operational costs. He said his goal would be to carry out the recommendations of the Governmental Efficiency Study Commission.

Mrs. Troxell, recently elected to membership on the 11-member Executive Committee of the National Federation of Republican Women, said she had long advocated that women should be active in all phases of government, including service in public office.

## \$10,000 in Racing Tickets Never Cashed

By JULY PHUGEN  
LOUISVILLE, Ky. (AP)—Jim Filburn has some teeth-grinding news.

A kitty worth at least \$10,000 awaits untold hundreds who've never cashed in their winning Kentucky Derby tickets for the past 40 years.

It might be more, says Filburn, director of mutuels at Churchill Downs, but the voluminous track records stop short at 1928.

Uncashed tickets are good forever in Kentucky, even though the track turns over the unclaimed property to the state every two years.

"Late ticket claimors get reimbursed immediately from a small pool we keep on hand for such purposes and, if we need to, we can go to the state for more," Filburn said Wednesday.

Who'd walk away from the famed twin steeples forgetting to claim part of the \$1.5 million-plus which is bet on that once-a-year day?

Once-a-year bettors, Filburn says.

The first Saturday in May, Derby Day, always ends with the highest rate of uncashed tickets of any day in all race-dom, he says.

"Don't drop your tickets," he says. "Put them in your wallet or purse."

## Proclamation

In many areas of the United States, respect for constituted authority and the principle of the supremacy of law are being heedlessly challenged.

The rights and freedoms which Americans accept as their birthright are made possible only by public acceptance of and obedience to the rule of law. In today's complex society there is a particular need for understanding on the part of every citizen that respect for law is vital to the preservation of individual liberties and a free and orderly society.

The Congress of the United States, and the President by official proclamation, have designated May 1 as Law Day USA, "a special day of celebration by the American people in appreciation of their liberties and the reaffirmation of their loyalty to the United States of America; of their rededication to the ideals of equality and justice under law in their relations with each other as well as with other nations, and for the cultivation of that respect for law that is so vital to the democratic way of life."

It is especially fitting, therefore, that this year we should as citizens reaffirm our faith in the rule of law and in the supremacy of government by law rather than by men. The theme for this eleventh annual observance of Law Day USA carries a timely message: Only a Lawful Society Can Build A Better Society. It reminds us only through adherence to the processes of law and representative government can our community and nation achieve the goals we seek in social betterment and progress.

NOW, THEREFORE, I, Donal Parker, Mayor of Hope, Arkansas, do hereby proclaim Wednesday, May 1, 1968, as Law Day USA in the City of Hope, and call upon all citizens, organizations, churches, and schools to recognize this special day through appropriate programs and ceremonies.

Dated at the City of Hope, this 29th day of April, 1968.

"C.F." described her mis-

You didn't backhand her with a pulp, in the "popular" loveornist fashion. Instead, you recognized that all human problems are different and rigid morality can't always apply. You said, "face this thing honestly," implying that she might discover a change of

partners would benefit everyone. You will no doubt be verbally stoned for writing in an advice column what this generation knows is true: "You don't do anyone in the family a favor when you live with a man you can't love." (Note from H: You're so-o-o-o right!) But we want you to know that many of us call you the column list who dares say what she thinks, not what Mrs. Grundy dictates.

Thank you for bringing "advice" up to date.—MR. AND MRS. T. C.

Dear Helen: How dare you condone divorce! Don't you know marriage vows are sacred? If a woman thinks she made a wrong choice, it's her duty to live with

it. Think of the children!—SHOCKED

Dear Shocked: I did—and that's one of the reasons I suggested honest consideration of divorce, rather than blind obedience to marriage vows that mean nothing more than legal sex.

My stand is only surprising because it came from an advice columnist. Somehow the public expects us to dish out rigid, unreasoning morality while the rest of the world switches to "situation ethics"—human evaluation mixed with common sense. It's high time we shed the crinoline.

From now on you can expect more and more straight talk from

m. I've broken out of the mold, and it's great, being free!—H.

Dear Helen: Our son is in the service. He ran up a lot of bills before he left, and we expected him to pay for them with his army checks. Instead, he's sending all his checks to his fiancée.

We don't know what she is doing with the money, though he says she's saving it for their marriage.

We're getting dunned for his family living, so if you're having bills, he even charges his phone calls to her on our bill. His car isn't paid for. He bought a suit on our account. He still owes us for it.

I don't want to make trouble, but we can't afford all these bills. What should we do?—

DJUNED PARENTS

Dear Dunned: Send your son an itemized account of all money owed, and tell him the bills must be paid, or you will turn them over to his girls' parents.

If a fellow is old enough for marriage, he should be old enough to assume financial responsibility. Start teaching him!—H.

This column is dedicated to family living, so if you're having kid trouble or just plain trouble, let Helen help YOU. She will also welcome your own amusing experiences. Address Helen Bottel in care of The Hope Star.

## Nixon on the Side Against Handouts

By AUSTIN SCOTT

Associated Press Writer

WASHINGTON (AP) Republican presidential candidate Richard M. Nixon's suggestion that whites help develop "black capitalism" puts him well on the way to backing a small but apparently growing faction of Negroes who oppose the idea of "handouts" from whites.

Civil rights leaders have been saying for decades that Negroes want an equal chance with whites to compete in America's capitalistic system. They have applied pressure mainly on white liberals to break down the twin barriers of legal segregation and racist attitudes.

The new faction belittles the traditional approach has run its course. It is unrealistic, they argue, to expect profit-minded businessmen to broaden welfare programs or spend money to set up businesses in slums.

Furthermore, they say, such programs don't get at the heart of the Negro's problem—a legacy of psychological damage dating from slave days that leaves many Negroes with so little faith in their own ability that they can't compete in a white world.

Rather than appeal to liberals, they say, Negroes are now in a position to get conservatives to support self-help programs that are better for Negroes in the long run. It can be done, they argue, by appealing to the same instinct that has made the United States a booming concern—the profit motive.

A leading spokesman for this viewpoint is Dr. Thomas M. Lewis, a Queens, N.Y., neurosurgeon who has founded a string of small "self-help" businesses in New York and Watts that currently employ 900 persons.

His National Economic Growth and Reconstruction Organization—the words chosen to spell NEGRO—sells bonds that pay 6.5 per cent interest.

With \$400,000 sold so far, he has financed a hospital, a bakery, a clothing factory, a chemical factory, and a construction company—all very small, and all geared to employing Negroes who were formerly on welfare.

Thus, Matthew argues, at one stroke you give whites a profitable investment, borrow their money with no strings attached, cut welfare and crime costs, and supply a kind of self respect that no amount of government-guaranteed annual income can provide.

He gets away with it by cutting a number of corners. For example, his wages are generally very low, a fact he justifies by claiming that the rates are higher than welfare.

He also says his graduates can go into the white world and sell newly-learned skills and are prevailing rates.

Matthew is slowly building support for his approach, an approach which he concedes would not have been possible a decade ago.

His representatives have been in touch with representatives from both the Robert F. Kennedy and Nixon camps.

Dr. Matthew's approach in some ways harks back to an old argument of Booker T. Washington, who wrote in the Kansas City Journal around 1900 that Negroes should "try to forget the uglier features of racial an-

hand over the war more and more to the South Vietnamese government, making it progressively more responsible for its own survival and security. At some point along that route reduction of U.S. forces in South Vietnam would begin.

It is the program often talked about in the past. But this time high officials are saying privately the time has come for the South Vietnamese "to face up to their responsibilities"—with the implication that if eventually they cannot stand pretty much alone they will have to accept the consequences.

Officials said agreement on a site could be reached in a few hours with the kind of contact now possible with North Vietnam through the U.S. and North Vietnamese embassies in Laos. Or the squabbling could drag on for more weeks.

The Johnson administration meanwhile is disturbed by the heavy flow of men and supplies to South Vietnam by Hanoi since the bombing stopped. Washington officials said about 10,000 truckloads of men and goods have gone south in the past month, an increase of about 25 per cent over the record levels of December and January.

Thus widespread speculation about the possibility of compromise on Paris as a site for preliminary peace talks was paralleled by some rumblings of worry about what Johnson may feel he has to do about the bombing limitation if Hanoi maintains its expanding military activity.

Johnson has about nine months more in office in view of his decision against re-election, and no one in high position in Washington thinks the odds seriously favor his concluding a peace agreement in that time.

What he is doing in one sense, therefore, is preparing for his successor a range of choices in Vietnam policy next year, with withdrawal at one extreme and military escalation at the other.

How the new dual course develops in the next few months will depend greatly on what happens in Vietnam—in the war, in Hanoi's diplomatic maneuvers and in Saigon's acceptance of responsibility.

President Nguyen Van Thieu of South Vietnam and his associates should understand that in terms of U.S. policy, time may be running out for them. They could have far less U.S. support next year from a new president in Washington, with even more radical changes in U.S. policy than those Johnson has initiated.

Seemingly balking at that possibility, Vice President Nguyen Cao Ky declared Sunday that South Vietnam will not stand for a peace settlement with Hanoi "that forces us to surrender to the Communists..."

tagonism and give more thought to improving their condition in those spheres in which such antagonism does not so strongly assert itself."

Nixon, whose credentials have never been very strong with Negroes, may well have found his strongest civil rights argument.

has declared his own neutrality. Similarly, Senate Democratic Leader Mike Mansfield of Montana and Sen. Warren G. Magnuson of Washington are avoiding taking sides. Sen. Edmund S. Muskie of Maine, who heads the Democratic Senatorial Campaign Committee, is taking the favorite-son route to stay uncommitted.

In Iowa, Gov. Harold Hughes, who is believed to lean toward Kennedy, said Humphrey has "strong, broad-based support" among labor, farm and business groups. But he said he will wait until after the May 24-25 state convention before backing a candidate.

The Humphrey announcement didn't bring Mayor Richard J. Daley of Chicago openly into the vice president's camp with the 118-vote Illinois delegation. Neither did it seem to alter the favorite-son plans of Gov. Richard J. Hughes as head of New Jersey's 82-vote delegation.

Neither were there outward stirrings in Ohio, with 115 votes, or Pennsylvania, with 130.

Humphrey's official announcement Saturday, before a crowd of about 2,000 supporters who cheered him to the chandeliers, was counted by all concerned as a social, political and television success.

The 56-year-old vice president spoke vigorously of maturity of judgment, national unity and priorities for peace he left no doubt he felt he was best qualified to achieve.

## Germany's Ultra-right Party Gains

STUTTGART, Germany (AP) — West Germany's ultra-rightist party won seats in another state legislature Sunday and got its biggest share of the vote to date. Willy Brandt's Socialists were the big losers.

The election in Baden-Wuerttemberg was the last state vote before the federal elections next year and was considered an important indication of political trends. Public interest was reflected by a 70.6 per cent turnout of the 5.6 million eligible voters, a record for an election in the state.

The ultra-right National Democrats, whose opponents charge they are neo-Nazis, were campaigning in the state for the first time. They won 12 of the 127 legislative seats and collected 9.8 per cent of the vote. The three-year-old party now has won seats in seven state parliaments.

All parties agreed the voters were influenced by the leftist student demonstrations and riots in West Berlin and other major cities during the Easter weekend. The National Democrats took a hard line toward the students, and the party chairman, Adolf Von Thadden, accused the Socialists of a fuzzy attitude toward the demonstrators.

Brandt's son Peter was a prominent demonstrator.

Chancellor Kurt Georg Kiesinger's Christian Democrats remained the strongest party in the state, but with 44.2 per cent of the vote, it had 2 per cent less than four years ago.

Brandt's Social Democrats took a harder loss, winning 29 per cent of the vote compared to 37.3 per cent in 1964. The Free Democrats increased their share of the vote from 13.1 per cent to 14.4.
